EIGHTY-SIXTH ANNUAL REPORT.

(Being the Thirty-fifth since the Incorporation of the Hospital).

The Chairman and Committee have pleasure in presenting their Eighty-sixth Annual Report and Statement of Accounts for the year ended December 31st, 1946.

During the past year the total number of attendances was **52,202**, including **21,036** new patients, an increase of **3,008** on 1945. The number of operations performed was **45,422**, as compared with the 1945 figure of **42,772**. The foregoing figures show that greater demands have been made upon the Hospital and it is gratifying to report that, in spite of the shortage of space and difficulties in securing staff, these demands have been met.

During the year 1947, in conjunction with the University of Liverpool School of Dental Surgery, a number of additional appointments will be made to the full-time Dental Staff. The grant of £1,000 from the Merseyside Hospitals Council towards these appointments is acknowledged with gratitude.

The Hospital Dental Aid Fund has enabled many deserving patients to obtain dentures, and the Committee's thanks are due to the Executive of the J. R. Hobhouse Dental Aid Fund for a further grant of £150.

The Dental Hospital has continued to co-operate with the School of Dental Surgery in the investigation into the causes of Dental Decay and its prevention. Research work is being continued at the National Children's Home, Frodsham, thanks to the generosity of Mr. J. P. Bibby and Messrs. J. Bibby & Sons, Ltd.

The adjacent property, 65a-71a, Pembroke Place, was purchased in 1945, to provide for the development of the services and amenities the Hospital wishes to extend to the patients. Plans and specifications have, therefore, been prepared, and it is the desire of the Committee to adapt these premises for the use of the Hospital. In addition, the present building will in some respects be re-adapted to give additional clinic facilities. Together with the reinstatement of War Damage the Scheme will cost approximately £15,000. Sincere thanks are expressed to those who, by subscriptions, donations and gifts, have encouraged those working for the Hospital. The following are the larger donations :

Legacy from the late Miss A. Holford Jones	...	£3,093	19	7
The Merseyside Hospitals Council	1,000	0	0
Legacy from the late Mrs. E. B. Frantz	215	15	10
J. R. Hobhouse Dental Aid Fund, per Personal Service Society	150	0	0
The Trustees of the West Derby Waste Lands	...	100	0	0
The Cunard White Star Line, Ltd.	50	0	0
The Liverpool Council of Social Service for their assistance in many ways.				
The American Red Cross for gifts of surplus stores.				

Thanks are also extended to the members of the Staff and Students for their work in the Hospital during the year.

From April 1st, 1948, the Hospital will be governed under the National Health Service Act, 1946, but until that date it will

continue on a voluntary basis. The year 1947 will be the 87th year since the foundation of the Hospital and it should, therefore, be recorded that throughout its long history the Hospital has met the needs of those requiring its services.

This record of service is due to those who during the years have given generously to the funds of the Hospital, and thanks are extended for this support, which has always been of great encouragement to the Committee.

Persons disposed to contribute by Will to this Charity are requested to do so in the following manner :—

I give and bequeath unto A.B. and C.D. the sum of
upon Trust that they do pay the same
out of my personal estate to the Treasurer, for the time
being, of the Liverpool Dental Hospital, which sum of
I desire may be applied towards
carrying on the charitable designs of the Institution.
